- There was open discussion about the survey and the additions that have been made
- The need for a Hospice/Palliative Care Program was discussed.
- Qutekcak Tribe brochures were requested by Emily, Joyce and Kathleen. They will be updated for next months meeting and available at that time.
- Carts funds* were received for Seward transportation.
- A Handicap van for people 65 or older is available from the Senior Center. The Church of the Nazarene has a van available as well.
- The Independent Living Center has Social Security application assistance available.
- The next meeting is scheduled for May 19th, 2009 @ 1:30. At that time the Survey Database will be introduced and discussed and MOU's will be initialized.

*CARTS is the result of a group of Central Kenai Peninsula citizens getting together to find a way to give residents a ride...and it works! You can find more information about this great program by checking out their website at ridealaska.org.
